OUR STORY

DTI: Discover Timberon Incorporated was established on March 13, 1992 as a shareholder owned corporation by interested and committed residents and property owners of Timberon.

The corporation was not necessarily formed for profit but instead was created as a vehicle for interested members to improve Timberon.

A board of directors was formed to organize these efforts. The board members serve a one year term and elections are held at the annual shareholder meeting each spring. These members are volunteers and welcome any suggestions you may have on how we can improve.

Thanks for coming in today!

We hope you enjoyed your visit and we look forward to seeing you again.

Safe travels - until we meet again.
